

Portugal: Lisbon & Porto

5 Days / 4 Nights

Lisbon is one of Europe's oldest cities filled with beautiful tiles, historic buildings, and lively culture. When it comes to Lisbon, it's safe to say the secret's out. The coastal capital sees 4.5 million annual visitors, most of whom flock to the city for its fado music, historic ruins, winding old town, trams, not to mention those pasteis de nata.

The historic centre of Porto and the River Douro on the Gaia side, where the Port Wine lodges are located, are classified as World Heritage. Whatever it is, it certainly has to do with its people, known to be generous and easy-going, as well as the River Douro and its heritage on both banks, with its bridges and monuments, the tiles, the flowering balconies and the shopping streets.
