Quotes On LOVE

*"let there be spaces in your togetherness,
And let the winds of the heavens dance between you.
Love one another, but make not a bond of love:*

*Let it rather be a moving sea between the shores of your souls....Sing and dance together and be joyous, but let each of you be alone, Even as the strings of a lute are alone though they quiver with the same music.
And stand together yet not too near together: For the pillars of the temple stand apart,
And the oak tree and the cypress grow not in each other's shadow."*
Gibran Khalil Gibran.
