ITINERARY

DAY 1: ZAMBUJEIRA DO MAR

- Welcome to the magical **COSTA VICENTINA** and its fabulous beaches!
- Our journey begins in the south western **ALENTEJO**, specifically in the village of **ZAMBUJEIRA DO MAR**.
- On this first day, we will enjoy Zambujeira Beach, with its wild beauty and impressive rock formations.
- After a relaxing lunch, you can visit the typical village.
- At the end of the day, we will stay in the surrounding area.

DAY 2: ODECEIXE, AMOREIRA AND ARRIFANA BEACHES

- Early morning, we head to the charming **ODECEIXE BEACH**, located at the mouth of **Rio Seixe**. This unique beach offers an incredible contrast between the calm waters of the river and the vigorous waves of the Atlantic. Spend the morning exploring the *dunes and natural pools*.
- Odeceixe beach is fantastic to catch some waves in the morning and in the afternoon rent a canoe to paddle down the calm river; as ocean is on one side and the river on the other, which has no waves, warmer and safer. This river actually separates the regions of the Algarve and Alentejo, so Odeceixe is like a border beach and the only river beach on the Costa Vicentina.
- Right after lunch, we head to Amoreira Beach. Like Odeceixe Beach, this location combines the beauty of the river and the sea, creating a perfect environment for swimming and relaxing. We will take some trails around the beach to enjoy unforgettable panoramic views.
- In the afternoon, we head to the picturesque **ARRIFANA BEACH**, where we will take our lunch break. You can enjoy the *perfect waves for surfing or simply relax on the golden sand*. The crescent-shaped bay is surrounded by dramatic cliffs, providing a breathtaking backdrop.
- The night will be spent in the village of **ALJEZUR**. We will explore its *historic castle* and enjoy the tranquility of the place.

DAY 3: BORDEIRA BEACH AND AMADO BEACH

5

- Today, we explore **BORDEIRA BEACH**, known for its vast stretches of sand and imposing dunes. It is the perfect place for long walks and to get lost in the natural beauty of the region.
- Praia da Bordeira: For a rugged beach experience and three glorious kilometers of uninterrupted sand. Sitting on the mouth of the Ribeira da Bordeira, the praia features limestone cliffs and extensive sand dunes that spread inland to Carrapateira village.
- After lunch, we head to **AMADO BEACH**. This location is the perfect spot to relax, soak up the sun and enjoy its good vibe.
- We will stay in the charming Vila do Bispo, exploring the picturesque village.
- *Who goes? Incredibly, not many people. Those who like more rugged beach-going experiences and young crowds of surfers do visit these beaches.*

DAY 4: SAGRES AND BELICHE BEACH

- The adventure continues, and today we head to the historic **VILLAGE OF SAGRES**. We visit the **Sagres Fortress** and enjoy the incredible view of the southwestern most point of Continental Europe.
- In the afternoon, we explore **BELICHE BEACH**. With imposing cliffs and crystal-clear waters, it will be our next stop. We relax on the beach and visit the *caves and grottos* along the coast.
- Dinner will be in the village of Sagres (optional). Enjoy a dinner with a sea view, savoring typical regional dishes such as fresh grilled fish.
- Overnight in Vila do Bispo.

DAY 5: LAGOS AND PONTA DA PIEDADE

6

- In the morning, we head to the historic city of **LAGOS**, known for its *cobbled streets and charming architecture*. We visit the **Church of Santo António** and **Mercado dos Escravos**, recalling the rich history of the region.

- The afternoon will be spent at **Ponta da Piedade**. The spectacular rock formations and turquoise waters will delight us. We will take a boat trip through the grottos and natural arches for an authentic experience.
- The night will be spent here in Lagos, enjoying the nightlife and the wide selection of restaurants and bars.

DAY 6: MARINHA BEACH, BENAGIL, AND ALBUFEIRA

- On the last full day of the trip, we start with a visit to the iconic **MARINHA BEACH**, *often ranked among the most beautiful in the world*. Its crystal-clear waters and golden cliffs are a sight to behold.
- We then head to **BENAGIL BEACH**. We explore the famous Benagil cave, one of the Algarve's postcards. We will take a boat trip to admire this natural wonder.
- To say goodbye to this incredible journey, we will stay in **ALBUFEIRA** for our last night.
- Together, we will have a farewell dinner, celebrating the amazing days spent in this region of Portugal.

DAY 7: ALBUFEIRA, END OF THE TOUR
